Public Safety Day in Cocagne and 30th Anniversary of our Fire Hall

The Public Safety Day in Cocagne took place on Saturday, October 6. The event went very well. Nearly 300 people participated in the activities and had discussions with the various public safety stakeholders. 2018 is the 30th anniversary of the Fire Hall. Since the beginning Danny DesRoches, Bernard Richard, Normand Gaudet and Yvon Goguen have been members of the Cocagne Fire department. Congratulations to all of you !

The firefighters presented the history of the Fire hall from the beginning until today. It was impressive to see all the work that has been done. Cocagne is lucky to have volunteer firefighters of this highest quality and a very well equipped fire station. At the end of the celebration, Danny DesRoches announced that he was retiring from his position as fire chief, a position which he held for 18 years. We thank him from the bottom of our heart for this fabulous accomplishments and for his dedication to our community. Thank you and congratulations Danny!

One of us recognized for her volunteer involvement with Seniors

Ms. Majella Dupuis won the Lieutenant Governor's Award for Excellence in Aging in New Brunswick 2018. Majella, well known for her involvement in the MADA movement, received her award from the Lieutenant-Governor, the Honourable Jocelyne Roy-Vienneau, on September 19 in Fredericton.

Public meeting for the Radon project

November 25th 2018, 2:00 p.m. is the date of the public meeting for the Radon project to be held in Cocagne at the Centre 50. Test kits to measure radon will be on site. There will be a 15 minute presentation followed by a question period. Come learn how you can measure radon in your home and make sure your house is safe.

Wanted old pictures of the Cocagne lighthouse
